Description / Action: - D2012-105 and D3646-1 Arms have a new shape to match prototypes made by Russ. Update tooling DT8116 & DT8958 to match. - Update all D350-561-141/-143 kits in stock with new arms as required. Discard any arms that don't match new dwg. - There are D2012-105 and D3646-1 Arms in stock signed off by MP that are OK. The angles are exactly to new dwg but they will work.
